

Amendments to the Specification

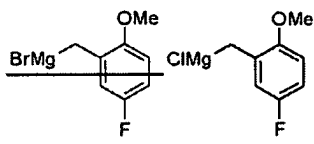

Please replace the paragraph at page 51, line 24, with the following amended paragraph:

Compound **2** may be separated into its enantiomers by chiral HPLC under the following conditions: Daicel Chiralpak OJ 20 μ m; 25cm; n-heptane/isopropanol 80:20 v:v; 0.4 mL/min; detection at 220 nm. ~~The desired enantiomer **2b** is the peak eluting at (RT = ??? min).~~ Alternatively, compound **2b** may be synthesized substantially as described above for compound **2** using compound **1b** in place of compound **1**.

Please replace the paragraph (heading) at page 53, line 6, with the following amended paragraph (heading):

2-methoxy-5-fluorobenzyl magnesium ~~bromide~~-chloride

Please replace the chemical formula at page 53, line 7, with the following amended chemical formula:

Please replace the paragraph (heading) at page 61, line 16, with the following amended paragraph (heading) to insert the omitted letter "r":

1-[1,1'-Biphenyl]-2-yl-2-morpholin-2-ylpropan-2-ol hydrochloride (12)

Please replace the paragraph (heading) at page 63, line 1, with the following amended paragraph (heading) to insert a hyphen at the end of line 1:

Example 3: Preparation of 2-morpholin-2-yl-1-{2-[(trifluoromethyl)oxy]-phenyl}butan-2-ol hydrochloride (16)

Please replace the paragraph (heading) at page 65, line 17, with the following amended paragraph (heading) to insert the omitted “ol”:

1-[5-fluoro-2-(methyloxy)phenyl]-3-methyl-2-morpholin-2-ylbutan-2-ol hydrochloride (20)

Please replace the paragraph (heading) at page 67, line 7, with the following amended paragraph (heading) to insert a missing “(“:

Example 7: Preparation of 1-[2-(ethyloxy)phenyl]-3-methyl-2-morpholin-2-ylbutan-2-ol hydrochloride (24)

Please replace the paragraph (heading) at page 67, line 9, with the following amended paragraph (heading) to insert a missing “(“:

1-[2-(Ethyloxy)phenyl]-3-methyl-2-[4-phenylmethyl)morpholin-2-ylbutan-2-ol (23)

Please replace the paragraph (heading) at page 67, line 17, with the following amended paragraph (heading) to insert a missing “(“:

1-[2-(Ethyloxy)phenyl]-3-methyl-2-morpholin-2-ylbutan-2-ol hydrochloride (24)

Please replace the paragraph (heading) at page 68, line 7, with the following amended paragraph (heading) to insert a missing “phenyl}“ after “oxy”:

Example 8: 3-Methyl-2-morpholin-2-yl-1-[2-[(trifluoromethyl)oxy]phenyl]butan-2-ol hydrochloride (26)

Please replace the paragraph (heading) at page 68, line 9, with the following amended paragraph (heading) to insert a hyphen at the end of line 9:

3-Methyl-2-[4-(phenylmethyl)morpholin-2-yl]-1-[2-[(trifluoromethyl)oxy]-phenyl]butan-2-ol (25)

Please replace the paragraph (heading) at page 68, line 19, with the following amended paragraph (heading) to insert a missing “phenyl” after “oxy”:

3-Methyl-2-morpholin-2-yl-1-{2-[(trifluoromethyl)oxy]phenyl}butan-2-ol hydrochloride (26)

Please replace the paragraph (heading) at page 74, line 1, with the following amended paragraph (heading) to insert missing hyphens and a missing “(“:

Example 13: Preparation of 4-methyl-2-morpholin-2-yl-1-{2-[(trifluoromethyl)-oxy]phenyl}pentan-2-ol hydrochloride (36)

Please replace the paragraph (heading) at page 74, line 12, with the following amended paragraph (heading) to insert a missing hyphen and a missing “(“:

4-Methyl-2-morpholin-2-yl-1-{2-[(trifluoromethyl)oxy]phenyl}pentan-2-ol hydrochloride (36)

Please replace the paragraph (heading) at page 80, line 6, with the following amended paragraph (heading) to insert a missing hyphen and a missing “[“ and to delete spaces after “oxy]” and after “phenyl}”:

Example 18: Preparation of 1-Cyclopentyl-1-morpholin-2-yl-2-{2-[(trifluoromethyl)oxy]-phenyl}-ethanol hydrochloride (46)

Please replace the paragraph (heading) at page 80, line 17, with the following amended paragraph (heading) to delete a space after “phenyl}”:

1-Cyclopentyl-1-morpholin-2-yl-2-{2-[(trifluoromethyl)oxy]phenyl}-ethanol hydrochloride (46)

Please replace the paragraph (heading) at page 84, line 1, with the following amended paragraph (heading) to insert a missing “(“:

2-[5-Fluoro-2-(methyloxy)phenyl]-1-morpholin-2-yl-1-tetrahydro-2H-pyran-4-ylethanol hydrochloride (52)

Please replace the paragraph (heading) at page 86, line 1, with the following amended paragraph (heading) to insert a missing “(“:

2-[5-Fluoro-2-(methyloxy)phenyl]-1-morpholin-2-yl-1-tetrahydro-2H-pyran-4-ylethanol hydrochloride (52b)

Please replace the paragraph (heading) at page 86, line 18, with the following amended paragraph (heading) to delete the space after”oxy]”:

Example 22: Preparation of 1-morpholin-2-yl-1-tetrahydro-2H-pyran-4-yl-2-{2-[(trifluoromethyl)oxy]-phenyl}ethanol hydrochloride (54)

Please replace the paragraph (heading) at page 86, line 20, with the following amended paragraph (heading) to delete the “/-” before “1-tetrahydro-“:

1-[4-(Phenylmethyl)morpholin-2-yl]-1-tetrahydro-2H-pyran-4-yl-2-{2-[(trifluoromethyl)oxy]phenyl}ethanol (53)

Please replace the paragraph (heading) at page 87, line 6, with the following amended paragraph (heading) to insert a hyphen at the end of line 6:

1-Morpholin-2-yl-1-tetrahydro-2H-pyran-4-yl-2-{2-[(trifluoromethyl)oxy]-phenyl}ethanol hydrochloride (54)

Please replace the paragraph (heading) at page 89, line 3, with the following amended paragraph (heading) to insert “phenyl” after “2-Bromo” and delete the space after “(phenylmethyl)”:

2-Bromophenyl-1-[4-(phenylmethyl)-morpholin-2-yl]-1-(tetrahydro-pyran-4-yl)-ethanol

Please replace the paragraph (heading) at page 91, line 18 with the following amended paragraph (heading) to insert a missing “[” and a hyphen at the end of line 18:

5,5,5-Trifluoro-2-[4-(phenylmethyl)morpholin-2-yl]-1{2[(-trifluoromethyl)oxy]-phenyl}pentan-2-ol (61)

Please replace the paragraph (heading) at page 92, line 4 with the following amended paragraph (heading) to insert a missing “[”:

5,5,5-Trifluoro-2-morpholin-2-yl-1-{2-[(trifluoromethyl)oxy]phenyl}pentan-2-ol hydrochloride (62)

Please replace the paragraph (heading) at page 92, line 19 with the following amended paragraph (heading) to insert a missing “]”:

1-[1,1'-Biphenyl]-2-yl-5,5,5-trifluoro-2-[4-(phenylmethyl)morpholin-2-yl]pentan-2-ol (63)

Please replace the paragraph (heading) at page 96, line 1 with the following amended paragraph (heading) to delete the extra hyphen after “[” (the strikethrough of the hyphen does not show below):

Example 30: Preparation of 1-Cyclopropyl-2-[-2-(methyloxy)phenyl]-1-morpholin-2-ylethanol hydrochloride (70)

Please replace the paragraph (heading) at page 97, line 1 with the following amended paragraph (heading) to delete the extra hyphen after “[” (the strikethrough of the hyphen does not show below):

Example 31: Preparation of 1-Cyclopropyl-2-[2-(ethyloxy)phenyl]-1-morpholin-2-ylethanol hydrochloride (72)

Please replace the paragraph (heading) at page 97, line 3 with the following amended paragraph (heading) to delete the “m” before “ethoxy”:

1-Cyclopropyl-2-[2-(methyloxy)phenyl]-1-[4-(phenylmethyl) morpholin-2-yl]ethanol (71)

Please replace the paragraph (heading) at page 97, line 14 with the following amended paragraph (heading) to delete the extra hyphen after “[” (the strikethrough of the hyphen does not show below):

1-Cyclopropyl-2-[2-(ethyloxy)phenyl]-1-morpholin-2-ylethanol hydrochloride (72)
